

NATIONAL CAPITAL PLANNING COMMISSION

Washington 25, D. C.

Mr. Allen W. Dulles, Director
Central Intelligence Agency
2430 E Street, N. W.
Washington 25, D. C.

Dear Mr. Dulles:

We are pleased to inform you that the Commonwealth of Virginia and the County of Fairfax each has agreed to contribute \$200,000, (a total of \$400,000) as their share of the cost of lands for Units 1 and 2 of the George Washington Memorial Parkway between the Arlington-Fairfax County line and the Leiter Estate tract, adjacent to the site of the Central Intelligence Agency headquarters building near Langley, Virginia.

It is estimated that funds available, together with funds authorized to be transferred to the Commission by state agencies, and by your agency will be sufficient to permit the purchase of the lands needed for the Parkway from Spout Run, Arlington County, Virginia to the Leiter Estate Tract.

In view of the above it is requested that you transfer to the Commission at this time the sum of \$250,000 of the \$500,000 made available to you for such purposes by the Supplemental Appropriation Act, 1957 (70 Stat. 678,680). The funds so transferred will be expended for the acquisition of lands within the George Washington Memorial Parkway between Spout Run and the Leiter Estate tract. Whether or not it will be necessary to request the transfer of additional amounts will depend, of course, on the ultimate cost of the lands to be acquired.

Sincerely yours,

Harland Bartholomew
Chairman
